

«We Athenians, in our own persons, take our decisions on policy or submit them to proper discussions: for we do not think there is an incompatibility between words and deeds; the worst thing is to rush into action before the consequences have been properly debated...»
Thucydides (460-400 B.C.)

CALL FOR PAPERS

2023-ATHENIAN POLICY FORUM (APF) INTERNATIONAL CONFERENCE

on “Energy, Sustainable Development, Money and Finance”

June 30-July 1, 2023 | Athens, Greece

Submission deadline: April 30, 2023

You are cordially invited to submit theoretical and empirical research papers for presentation consideration at the 2023-APF International Conference, **June 30-July 1, 2023**. Papers from the fields of Energy, Sustainable Development, Money and Finance and related topics will be considered. Early submission is highly encouraged. The conference is hosted by the **University of Piraeus** in cooperation with the **American College of Greece, (Deree)** which is the venue of the conference in the picturesque Athens suburb of Aghia Paraskevi, **6 Gravias Street GR-153 42, Aghia Paraskevi, Greece.**

KEYNOTE SPEAKERS

Anastasios Adamopoulos, York University, Canada

Stylianos Perrakis, Concordia University, Canada

Ian Lange, Colorado School of Mines, USA

CONFERENCE OBJECTIVES

The fast pace of change in the global economy creates challenges and opportunities for new creative ideas regarding energy sources, sustainable development, economic growth, money, banking and finance, income distribution, inflation and optimal microeconomic and macroeconomic policies. The conference aims to bring together scholars and practitioners from around the world to present and discuss their new research results, share their ideas and concerns, and provide new policy recommendations.

SUGGESTED TOPICS*

The topics of the conference include, but are not limited to:

- energy economics and environmental economics
- sustainable development and economic growth
- sustainable entrepreneurship and the ESG framework
- national debt, global imbalances and sustainability
- money, finance, sustainable finance and economic distribution
- banking and financial frictions
- government policies and regulation
- inflation and economic policy

* Participants who wish to organise their own sessions in any of these topics are welcome to do so. Any other suggestions are also welcome.

PAPER SUBMISSION

Authors are invited to submit an extended abstract or a complete paper in WORD or PDF format as soon as possible but no later than April 30, 2023. Authors will be notified by May 10, 2023. Please submit your paper to Isabella Ruble, iruble@clover-university.com and/or Leo Michelis, michelis@torontomu.ca

REGISTRATION FEES

There will be a registration fee of **150 euro** for senior participants. The fee is waived for students and PhD candidates.

PUBLICATION OPPORTUNITIES

There will be a special volume of *Spoudai* with selected articles presented at the conference <http://spoudai.unipi.gr/index.php/spoudai>

Conference presenters are also invited to submit their papers for blind review and possible publication in: *The Journal of Economic Asymmetries*, Elsevier Science, <http://www.journals.elsevier.com/the-journal-of-economic-asymmetries>.

HOTEL ACCOMMODATION

Park Hotel is in close proximity to the conference venue. Other options are also available.
